

SMUSA President's Report

Shiray Tan, President & CEO

Zero Textbook Cost (ZTC) Course List

SMUSA officially launched the ZTC Course List and currently has about 50 course submissions by faculty members. This initiative has been very well received by students. We strive to continue expanding our database in alignment with our organization's mission of making Post Secondary Education more accessible for students.

Preservation of SMU's Pass/No Credit

There were discussions revolving around the removal of the Pass/No credit policy in our university. After lengthy advocacy efforts, SMUSA successfully preserved the Pass/No Credit resource for our members.

Society Calendar Streamline

We have updated our website to allow Societies to submit their events on the SMUSA website. This means that societies can now submit their society events that will, once approved, be published on the common SMUSA calendar. We hope that this resource will allow for better society event engagement.
